HEALTH PLANS

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules.

If you have any questions, you can call and speak to a Member Services representative at **1-800-794-4105** (TTY: **711**). From October 1 - March 31, we are open 7 days a week; 8:00 a.m. to 8:00 p.m. From April 1 - September 30, we are open Monday - Friday; 8:00 a.m. to 8:00 p.m. You may always leave a voicemail after hours, Saturdays, Sundays, and holidays and we will return your call within 1 business day.

Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor.
Visit **www.careplushealthplans.com/medicare-plans/2019** or call **1-800-794-4105** (TTY: **711**) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2020.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. Only Qualified Medicare Beneficiaries (QMB+), Specified Low-Income Medicare Beneficiaries (SLMB+), or Full Benefit Dual Eligibles (FBDE) may enroll in CareNeeds PLUS (HMO SNP).

2019 Summary of Benefits

This Summary of Benefits booklet gives you a summary of what **CareNeeds PLUS (HMO SNP)** covers and what you pay. It does not list every service covered by this plan or list every limitation or exclusion. **Depending on your level of Medicaid eligibility, you may not have to pay any of the costs for the medical services listed in this brochure, if they are paid for you by Medicaid or another third party.**

To get a complete list of services covered by this plan, please call us and ask for our Evidence of Coverage (EOC) document or you can see it on our website: www.careplushealthplans.com/medicare-plans/2019. An EOC is automatically mailed to you after you enroll in our plan.

Tips for comparing your Medicare choices

If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets, or use the Medicare Plan Finder on **www.medicare.gov**.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. You can view it online at **www.medicare.gov** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Who can join CareNeeds PLUS (HMO SNP)?

To join **CareNeeds PLUS (HMO SNP)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and also be eligible for Florida Medicaid covered services as either a Qualified Medicare Beneficiary (QMB+), Specified Low-Income Medicare Beneficiary (SLMB+), or Full Benefit Dual Eligible (FBDE).

You must also live in our service area, which includes the following county in Florida: Miami-Dade.

If you have any questions related to your level of eligibility for assistance from Medicaid, you should contact CarePlus' Member Services department or your Florida Medicaid office; or refer to the Evidence of Coverage (EOC) for further details.

Which doctors, hospitals, and pharmacies can you use?

CareNeeds PLUS (HMO SNP) has a network of doctors, hospitals, pharmacies, and other providers.

You must access all plan-covered care and services through the CarePlus network of providers, including any services we provide for you on behalf of the Florida Medicaid Program. Members receiving care and services not covered under our plan, such as waiver services, must access those services through the Florida Medicaid program network of providers.

If you use providers that are not in our network, the plan may not pay for these services. **Prior authorization or a physician referral may be required for covered in-network medical services.**

You must generally use network pharmacies to fill your prescriptions for Medicare-covered drugs (Part D drugs). Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plan's provider/pharmacy directory on our website: www.careplushealthplans.com/directories.

You can also call us and we will send you a copy of the provider/pharmacy directory.

Medicaid providers who also participate in the CarePlus provider network are indicated in the CarePlus Provider Directory.

What does this plan cover?

CareNeeds PLUS (HMO SNP) covers everything that Original Medicare covers - and *more*.

In addition to covering Part D drugs, we also cover Part B drugs such as chemotherapy and some drugs administered by your provider. For more information on Part B covered drugs, refer to the Evidence of Coverage (EOC).

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, www.careplushealthplans.com/medicare-plans/2019-prescription-drug-guides.

You can also call us and we will send you a copy of the formulary.

This plan also covers all the benefits you receive under traditional Florida Medicaid, except for long-term care services. If you qualify for Medicaid-covered services through the State, be sure to show your Medicaid ID card in addition to your CarePlus membership card to make your provider aware that you may have additional coverage.

Cost-sharing with this plan

Your costs with this plan (premiums, copayments, coinsurance, and deductibles) will vary based on your level of Medicaid eligibility and the assistance you receive from Medicaid.

If Medicaid pays your Medicare Part A and Part B cost sharing, your cost share for any medical services covered by our plan will never exceed the amounts you would pay for those same services under the traditional Florida Medicaid plan.

You are responsible for deductibles, copayments, and coinsurance for Medicare Part D prescription drugs based on the level of "Extra Help"/ Low Income Subsidy (LIS) you get from Medicare.
