Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules.

If you have any questions, you can call and speak to a Member Services representative at **1-800-794-4105** (TTY: **711**). From October 1 - March 31, we are open 7 days a week; 8:00 a.m. to 8:00 p.m. From April 1 - September 30, we are open Monday - Friday; 8:00 a.m. to 8:00 p.m. You may always leave a voicemail after hours, Saturdays, Sundays, and holidays and we will return your call within 1 business day.

Understanding the Benefits

- ☐ Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor.
  Visit **www.careplushealthplans.com/medicare-plans/2019** or call **1-800-794-4105** (TTY: **711**) to view a copy of the EOC.
- ☐ Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- ☐ Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- ☐ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- ☐ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2020.
- ☐ Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- ☐ This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. Only Qualified Medicare Beneficiaries (QMB), Specified Low-Income Medicare Beneficiaries (SLMB), Qualifying Individuals (QI), and Qualified Disabled and Working Individuals (QDWI) may enroll in CareNeeds (HMO SNP).

2019 Summary of Benefits

This Summary of Benefits booklet gives you a summary of what **CareNeeds (HMO SNP)** covers and what you pay. It does not list every service covered by this plan or list every limitation or exclusion. **Depending on your level of Medicaid eligibility, you may not have to pay a premium or any of the costs for medical services listed in this brochure, if they are paid for you by Medicaid or another third party.**
To get a complete list of services covered by this plan, please call us and ask for our Evidence of Coverage (EOC) document or you can see it on our website: www.careplushealthplans.com/medicare-plans/2019. An EOC is automatically mailed to you after you enroll in our plan.

Tips for comparing your Medicare choices

If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets, or use the Medicare Plan Finder on **www.medicare.gov**.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. You can view it online at **www.medicare.gov** or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, 7 days a week. TTY users should call **1-877-486-2048**.

Which doctors, hospitals, and pharmacies can you use?

CareNeeds (HMO SNP) has a network of doctors, hospitals, pharmacies, and other providers.

You must access all plan-covered care and services through the CarePlus network of providers.

If you use the providers that are not in our network, the plan may not pay for these services.
Prior authorization or a physician referral may be required for covered in-network medical services.

Who can join CareNeeds (HMO SNP)?

To join **CareNeeds (HMO SNP)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and also be eligible for certain levels of financial assistance from Florida Medicaid, as either a Qualified Medicare Beneficiary (QMB), Specified Low-Income Medicare Beneficiary (SLMB), Qualified Individual (QI) or Qualified Disabled and Working Individual (QDWI).

You must also live in our service area, which includes the following county in Florida: Miami-Dade.

If you have any questions related to your level of eligibility for assistance from Medicaid, you should contact CarePlus' Member Services department or your Florida Medicaid office; or refer to the Evidence of Coverage (EOC) for further details.

You must generally use network pharmacies to fill your prescriptions for Medicare-covered drugs (Part D drugs). Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plan's provider/pharmacy directory on our website: www.careplushealthplans.com/directories.

You can also call us and we will send you a copy of the provider/pharmacy directory.

What does this plan cover?

CareNeeds (HMO SNP) covers everything that Original Medicare covers - and *more*.

In addition to covering Part D drugs, we also cover Part B drugs such as chemotherapy and some drugs administered by your provider. For more information on Part B covered drugs, refer to the Evidence of Coverage (EOC).

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, www.careplushealthplans.com/medicare-plans/2019-prescription-drug-guides.

You can also call us and we will send you a copy of the formulary.

Cost-sharing with this plan

Your costs with this plan (premiums, copayments, coinsurance, and deductibles) will vary based on your level of Medicaid eligibility and the assistance you receive from Medicaid.

If Medicaid pays your Medicare Part A and Part B cost-sharing, your cost-share for any medical services covered by our plan will never exceed the amounts you would pay for those same services under the traditional Florida Medicaid plan.

You are responsible for deductibles, copayments, and coinsurance for Medicare Part D prescription drugs based on the level of "Extra Help"/ Low Income Subsidy (LIS) you get from Medicare.

- This plan offers nationwide in-network prescription coverage.
- This plan uses a formulary. Quantity limitations and other drug restrictions/authorizations may apply.
- You may get your drugs at network retail pharmacies and network mail-order pharmacies.
- Our network includes pharmacies that offer standard cost-sharing and pharmacies that offer preferred cost-sharing. Your cost may be less at pharmacies with preferred cost-sharing.
- Total yearly drug costs are the total drug costs paid by both you and the plan.
- The level of "Extra Help" you get, the drug type and the tier where your drug is listed determines what you pay for your prescription drugs.

Deductible

- **$0** or **$85** annual Part D deductible depending on your level of assistance. Does not apply to Tier 1 or Tier 2 drugs.
- Because you qualify for "Extra Help" with your prescription drug expenses, you will not have to pay an annual deductible, or may pay a reduced amount.
- If you have a deductible, you must pay the full cost of your prescription drugs for Tiers 3, 4 and 5 until you meet the deductible amount.
- **Medicaid does not provide copay/coinsurance assistance for Part D prescription drugs. You may have some costs based on the drugs you need and the level of "Extra Help" you receive from Medicare.**

Initial Coverage

- If you are required to pay an annual deductible, after you pay your annual deductible for Tier 3, Tier 4 and Tier 5 drugs, and depending on your level of "Extra Help", you pay the following until your total out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail-order) reach **$5,100**.

    - **$0** copay; or
    - **$3.40** copay; or
    - **15%** coinsurance
  - For all other drugs, either:
    - **$0** copay; or
    - **$8.50** copay; or
    - **15%** coinsurance
- You pay **$0** for all Tier 1 and Tier 2 drugs from any network retail pharmacy or network mail-order pharmacy.

Catastrophic Coverage

- After your yearly out-of-pocket drug costs (including drugs purchased through your retail pharmacy and through mail order) reach **$5,100**, and depending on your level of extra help and the tier where your drug is listed, you pay:
  - **$0** copay; or
  - **$3.40** copay for generic drugs (including brand drugs treated as generic); or
  - **$8.50** copay for all other drugs

Excluded Part D Drugs Covered by Our Plan

- Certain erectile dysfunction drugs are covered at Tier 1 cost-share.
- Refer to your Evidence of Coverage for specific coverage information including costs.
- These drugs are covered at an in-network retail or mail-order pharmacy and do not apply towards your total annual drug cost.

Additional Prescription Drug Information

- The total of any Part D-covered drug payments made during the calendar year by you, on your behalf, or under another Medicare prescription drug plan before you joined our plan, determines which phase of the Part D benefit you are in during the calendar year.
- Cost-sharing may change depending on the pharmacy you choose (preferred, non-preferred, mail-order, home infusion, or long term care), the supply needed (30 or 90 days), the phase of the Part D benefit you are in, and the level of "Extra Help" you receive. For more information on the additional pharmacy-specific cost-sharing and the phases of the benefit, please call us or access our Evidence of Coverage online.
- You may get drugs from an out-of-network pharmacy, but may pay more than you pay at an in-network pharmacy.
