Care for Older Adults assessment

What is the Care for Older Adults assessment form?
The National Committee for Quality Assurance (NCQA) has developed a set of metrics called the Healthcare Effectiveness Data and Information Set (HEDIS®). Under the HEDIS umbrella is a set of measurements specific to the care for older adults. The measurements look specifically for evidence of:

- Advance care planning
- Medication review
- Functional status assessment
- Pain assessment

Who is considered for the Care for Older Adults assessment?

- Patients age 66 and older enrolled in a Special Needs Plan (SNP)
- Patients enrolled in a SNP and are either dual-eligible for Medicare and Medicaid and/or have a chronic condition

To determine if a Humana-covered patient is enrolled in a SNP, please check his or her eligibility and benefits.

Why should I complete this form?

- This form serves as a tool to assess and address issues identified as common among older adults who are dual-eligible for Medicare and Medicaid and/or are chronically ill.
- This form allows Humana to improve care coordination for its members.

Who can complete this form?
Any practitioner with prescribing rights can complete this form. Depending on your state, this may include:

- Licensed medical physicians
- Licensed nurse practitioners
- Licensed physician assistants
Patient advised:

Member ID: ___________________________ Date of birth: ______/____/____ (mm/dd/yyyy)

Affirmation statement:

The physician acknowledges and agrees that Humana may update and adjust this template form as necessary. Updated forms are available at Humana.com/provider/medical-resources/clinical.quality-resources, under the Preventive Care tab.

Medicare payment to Medicare Advantage organizations is based, in part, on each patient’s diagnosis, as attested to by the patient’s attending physician by virtue of his or her signature on this medical record. Anyone who misrepresents, falsifies or conceals essential information required for payment of federal funds may be subject to a fine, imprisonment or civil penalty under applicable federal laws.

By signing this document, you attest to reviewing the medical documents to complete the form, using the best of your medical knowledge, placing the completed original of this form in the patient’s medical record and ensuring fully-documented proof of service of all completed fields is contained in the patient’s medical record. (Note: If the practice has an electronic medical record system, scan the assessment and attach the image to the electronic record.)

To the best of my knowledge, information and belief, the information provided regarding diagnoses is truthful and accurate.

Submitting a completed form

Method 1
Upload electronically to the Humana secure upload site at www.submitrecords.com/humana. Enter the secure password: hfstar83.

• Under “Select the files to upload,” click “Add files” and choose the medical records from your internet browser. You can upload single records in PDF or TIF formats or a zip file. Ensure any additional medication lists have a 2019 date.
• Add any information regarding the record(s) into the notes section. You can add records up to a maximum of 100MB per upload.
• Click “Upload” and the selected records will be electronically routed to the Humana repository system.

For technical assistance, call 1-801-984-4540.

Method 2
Fax to Humana medical record retrieval at 1-800-391-2361.

Method 3
Mail to: Humana
66 E. Wadsworth Park Drive, Suite 150S
Draper, UT 84020
